

✓ couldn't go on using gold as our money standard, because it was getting too common! Fortunately for us, we didn't get unduly excited about either prediction, and today we find about everybody agreed that to get back on the gold basis is one of the world's greatest needs.

So, contemplating the certainty that another century will give us a population of probably 300,000,000, one is forced to conclude that a wise development of resources is the only policy to which we dare commit ourselves. There was a time when the public domain was thought of as a treasure house of potential wealth to be locked up against the day when we should need it. It was assumed that by
